

DAVE KELLY
AMERICA'S STUDENT LEADERSHIP TRAINERSM

VIRTUAL AND VIDEO ON-DEMAND PROGRAMMING

Virtual and video on-demand programming can enhance your leadership offerings, provide more flexibility, and save you travel costs!

Mix the subject areas to serve various populations of students such as SGA, officers of clubs and organizations, community service and civic engagement minded students, and any student looking to improve their leadership skills regardless of whether or not they are an officer or member of any group.

The four-part **Student Leadership Series** is

my most popular option.

“But Dave, what do we do if we need more than 4 sessions? What if we need less?”

Never fear! I have pricing options for 1 – 8 programs!

Need to split it up amongst different departments? No problem! I can create separate invoices for you for each program or a group of programs!

Each program is 60 minutes, based on your needs. Shorter and longer versions are also available!

“Dave Kelly is phenomenal! He spoke to Rider University’s Student Government Association and the clubs and organizations virtually and it felt like we were in the room with him. He is such a dynamic speaker and I would have him come back to campus, virtually or in person, in an instant. Dave shares great insight and is able to easily relate to students, faculty, and staff.”

Allison Koury, Coordinator of Student Involvement, Rider University (NJ)
