

## Early Education Community Partnership Regions

Georgia Department of Early Care and Learning's (DECAL) **Early Education Community Partnership Coordinators** work in six regions across the entire state to coordinate the delivery of available state and local services for young children and families, support and seek to improve the quality of child care settings, provide opportunities for conversations about access to high-quality child care, work with community stakeholders to align early childhood systems for children ages birth to eight, foster public awareness of early education services, and serve as a resource for and referral to all DECAL programs.
